Dear Jimmy,

It was nice talking to you a few minutes ago. Silver Creek Falls sounds so beautiful & I would like to go on that hike.

I am going to the bank now so will get the check in the mail. I don't see how this will last so be sure and tell me when you need more.

Dad is up now and feels good but is going to stay home from work today.

I am reading "All the Kings Men" and it is real good.

I forgot to ask you if you received the refund check from school but I am sure you did. More later.

Love,

Mom.
